8 UNITED STATES DISTRICT COURT
9 WESTERN DISTRICT OF WASHINGTON
10 AT SEATTLE

11 APPISTRY, INC.,

12 Plaintiff,

13 v.

14 AMAZON.COM INC, et al.,

15 Defendants.

16 CASE NO. C15-311 MJP

17 ORDER DENYING MOTION TO
18 AMEND

19 THIS MATTER comes before the Court on Plaintiff's Motion to Amend Complaint.

20 (Dkt. Nos. 210, 226.) Having considered the Parties' briefing and the related record, the Court
21 DENIES the motion. Judgment on the pleadings has been granted (Dkt. No. 213), no operative
22 complaint remains, and, therefore, there exists nothing to amend. Furthermore, this case was
23 filed on December 20, 2013, and Plaintiff's motion to amend was not filed until July 8, 2015,
24 thirteen days after oral argument on Defendants' dispositive motion for judgment on the
 pleadings; the Court considers this delay undue. Accordingly, Plaintiff's Motion is DENIED.

25 The clerk is ORDERED to terminate all pending motions as moot, and to provide copies of this
26 order to all counsel.

1
2 Dated this 28th day of August, 2015.
